

## LETTER OF REFERENCE

Ex. No.0064 / 13.07.2010

On the activity of "MARITZA 2008" Ltd

*Dear Sirs,*

"ALSTOM Power" Bulgaria and "MARITZA 2008" Ltd have been in collaboration since September 2008. "MARITZA 2008" Ltd is our main supplier of construction machinery and in particular: mobile cranes, cherry pickers and self – propelled cherry pickers. We have always been impressed by the company management and the way it handles the workflow, timely tasks executions, control and related of logistic activities.

For the period from September 2008 - July 2010 "MARITZA 2008" Ltd. is a major crane-coordinator of "ALSTOM Power" Bulgaria on the building site of "Maritsa East 1" Galabovo (AES).

Company employees and machinery belonging to it always keep the standing rules about safety on the building site.

Despite a big number of cranes that worked on the building site during this time , the performances of the individual lifts were made with high professionalism, that is inherent to the operators of the machines by the team of "MARITZA 2008" Ltd. – all this facilitated the work of me and my colleagues.

The reliability of the machines was impeccable, their crane operators were strict and uncompromising for the safety work of the building site. Thanks to responsibility that the employees of "MARITZA 2008" Ltd showed on the building site , in the records of "ALSTOM Power" Bulgaria there has been no serious incident that is fault of the operator or the machines which belonging to the company.

With this reference, I want to thank to the staff of "MARITZA 2008" Ltd. for the professionalism and to recommend the company as a reliable partner and correct contractor for Your future projects.

This letter of reference is provide to "MARITZA 2008" Ltd. to be used where is necessary.
